# ABOUT COMPANY

Universal Crowd is the World's Peer-To-Peer Crowdfunding System that allows you to earn through everything that happens in the organization! It is an Authorized UK-based program that is highly secured, and fully automated with the latest Technology. Universal Crowd is a team Crowdfunding system that helps you earn from the upline, downline, and Crossline & from every person who joined the organization before & after you. The platform is designed in such a way making it transparent & fully automated to the best of your service.
